Declaration of codes in Import Advance List (IAL)

There are 3 categories:
1. DPD+DPD
2. DPD+CFS
3. CFS+CFS.

In IAL there are 4 fields as given below:

 i) Group code   - from col no. 42 to 44
ii) Consignee code   – from col no. 99 to 101
iii) Destination   – from col no.102 to 104
iv) Choice of CFS after 48 hrs   – from col no. 105 to 107
      (as per PN 57)

How to Declare :

Declaration pattern is given in below table:

Category	First 3 digits of Group code (42 to 44)	Consignee code (99 to 101)	Destination (102 to 104)	Choice of CFS (105 to 107)
DPD+DPD	**DPD** (dummy code)	Party DPD code	Party DPD code	CFS code
DPD+CFS	CFS code	Party DPD code	CFS code	Blank
CFS+CFS	CFS code	Blank	CFS code	Blank

Explanation:

A) In first category, for any **DPD+DPD** container first 3 digits of group code will be **DPD** (dummy code) only ie DPDD2, DPDR2, DPDD4, DPDR4, DPDO2, DPDO4 etc.(from col 42 to 46).. In case importer does not take delivery within 48 hrs then container will be moved to CFS indicated in choice of CFS (col.105 to 107) as per PN 57. If this filed is blank, then it will be moved to Speedy CFS.

Example:

CTR090684CXTU108592025.722270F   JEA **DPD**D2 ITGRM3N   C125470   **15E15EITC**

B) In second category, for any **DPD+CFS** container first 3 digits of group code will be CFS code ie ACGD2, AMYR2, DRTD4, APOR4, VLYO2, SVLO4 etc.. .(from col 42 to 46).. The container will be moved to CFS as indicated in Group code by default even within 48 hrs.

Example:

CTR430782BLJU223216912.652210F   JEA **ACG**D2 ITBLM1N   IGM40317   **AD4ACG**

Please note that in case agency has declared as DPD+CFS, then container cannot be given to importer within 48 hrs of he approaches unless shipping line make change request.

C) In Third category, for any **CFS+CFS** container first 3 digits of group code will also be CFS code ie ACGD2, AMYR2, DRTD4, APOR4, VLYO2, SVLO4 etc.. .(from col 42 to 46).. The container will be moved to CFS as indicated in Group code by default.

Example:

CTR250806ECMU143778027.412210F   JEA **GDL**D2 ITINX1N   018964   **GDL**

The procedure for declaring the laden containers in IAL is also displayed on our website at www.jnport.gov.in under link 'Direct Port delivery'.

All Shipping lines, Agencies, NVOCCS are requested to note and follow the above procedure and spacing in IAL to avoid movement of container to wrong destinations and disputes thereafter.

For any change request send mail jnpctdpd@jnport.gov.in . For any clarifications please call 6781 5229/6781 5201.
