## TRADE NOTICE

### Sub: Mandatory use of VCN and IGM link facility at PCS for e-DO.

As you are aware that issuance of electronic delivery order by Shipping lines through PCS is one of the initiatives taken by Ministry of Shipping. For issue of e-DO the receipt of IGM message through ICEGATE is crucial without which it is not possible to generate e-DO.

At times IGM details are not received on time for generation of e-DO and in such case PCS team has to follow up with ICEGATE to get the details. In order to ensure/check receipt of IGM messages, a reconciliation system has been established by IPA at PCS level where by daily check of IGM messages will be done by PCS team to follow up with ICEGATE in advance. For which shipping lines/agencies need to enter their IGM details with Vessel Call Number (VCN) at PCS level.

View above, all Shipping lines/agencies are hereby requested to ensure that IGM details are entered at PCS level after filing at ICEGATE for issuance of e-DO through PCS smoothly without any difficulty.

Chief Manager (Traffic)
