**PUBLIC NOTICE NO. 30 /2019**

**SUB:- Recent initiatives of DPD / RMS Facilitation Centre for trade facilitation -reg.**

As a matter of trade facilitation and Government policy of 'Ease Of Doing Business', DPD / RMS Facilitation Centre of JNCH, Customs Zone-II, Mumbai has undertaken several measures. The same are outlined hereunder for the benefit of trade -

- A. Operationalization of 'one time default intimation' to shipping lines by DPD importers at JNCH so that default stacking code indicated in the said intimation can be treated as default stacking code by shipping lines.  
(JNCH PN No.36/2018 dtd. 09/03/2018 & No.156/2018 dtd. 11/12/2018)
- B. Facility of on wheel sampling at NSICT terminal for DPD clients - Terminal operator NSICT (M/s DP World) has demarcated "on-wheel sampling area for DPD FCL containers", wherein samples can be drawn by the Customs / PGAs and subsequently the containers can be allowed to move from Port to desired destination as per convenience of the Importer.  
(JNCH PN No.63/2018 dtd. 18/04/2018)
- C. Introduction of facility of priority assessment and priority examination for AEO and DPD clients through online module.

(JNCH PN No.123/2018 dtd. 20/08/2018)
- E. Provision of unique DPD codes to the importers applicable for all the port terminals. Once DPD code is allotted by JNPCT, intimation of the same along with requisite details and documents is sent to other terminals (NSICT/NSIGT/GTI/BMCT) by JNPCT.
